Mr. J. C. Collier;
Barnesville, Ga.,

Dear Sir;— I have been trying to get up a certain "Collier" line for quite a while- & writing to a friend of mine- in Blakely Ga, whose Ancestors, or rather Grandfather was a Rev. patriot (Benjamine Collier)- & found easily that that family of "Colliers"- were not-connected At All. This Lady sent me your card- & said, that you had written to her- some- time ago- & she thought that perhaps you could belong to the line I am hunting- Have I have- three, or four lines of Colliers-

That is I have done right
nice data - And if you will
write me the names of your
Collier family I could know
at once whether it is the family
I am looking for - & should
I have either, or one, of which
I have - connects with the
names you give me - I will
be glad to copy & send you
what I have - The "Colliers"
that I am hunting are really
Close kin to the Texas Collier
of "Indian Springs" I wrote
to them a few days ago - but
haven't heard from them yet -
I am hoping to hear - & trust
that they won't disappoint me -
A Cousin of theirs - whose
grandfather - & their father
were our brothers - That

I asked me to write to them

"Collier" family - doesn't seem to know any further back - I will appreciate hearing from you - right away - & will be glad to give you what I have by giving me the names in your "Collier" family. I could see whether it would be worthwhile to copy you what I have - have ever - & would be very glad to do it - Thanking you in advance Please address me -

Mrs. L. B. Rambo.
